

Infants:

Birth to 24 months

Our Noah's Ark nursery is operated by loving, capable, staff (paid and volunteer). We strive for a clean and uncluttered environment for the youngest members of our church family. We believe that even as babies, they can learn about God's love from those who hold them and make them feel safe and loved.

A private nursing room is located off of the nursery.

Changing stations are available on the first floor restrooms and also on the lower level in the nursery.

Toddlers:

Children 2 years to 3 years old

Our Mustard Seed Room offers loving attention, age appropriate toys and equipment. Bible lessons and activities are also often incorporated into their time together. We believe this age is already open to hearing God's story and how much God loves them through God's Son, Jesus.

Registration

We strive to provide the best programming and events for children and families. You can help us accomplish this goal by registering for each event or program. Parents can find out how to register by contacting the Director of Children and Family Ministries.

Child Care Requests

We love to provide child care for our ministry groups and studies. Sign up for this service is always required for each event. Please contact the ministry leader and ask them to complete a child care request form and submit it to the office at least 2 weeks prior to the need. Child Care Request forms are provided both in the nursery and in the church office or you can contact the Director of Children & Family Ministries to have one mailed to you.
