NOVEMBER HANDS THAT SERVE:

Next week is the last Sunday the Heifer table will be available to accept donations and distribute honor cards. What better way to express our Thanksgiving than to “pass on” our blessings to others! Many Heifer families receive an animal gift. These gifts help a family, and the community in which they live, become self-sufficient by providing sustainable resources that continue to support their needs year after year. Heifer recipient families all agree to “pay it forward” by passing on the offspring to another family in need. Heifer also provides tools and training to better the lives of families and to help them become self-sustaining. In addition to animals, Heifer provides a variety of essential needs in the community, including water projects, agricultural projects to support sustainable farming and education. If you give a Heifer gift, we will provide a greeting card for you to send to the person you are honoring with this gift. You may get more information and make your gift any Sunday during November at the Heifer table in Fellowship Hall. You may also give online by specifying Heifer as the Hands that Serve Mission in the online giving portal. You will find a more complete order form with specific gift options in this month’s newsletter. **And as an exciting incentive, Heifer is offering a 1:1 match, which means whatever you give will be DOUBLED!**
