### Our Easter Preparations

*It was Preparation Day (that is, the day before the Sabbath). So as evening approached, Joseph of Arimathea, a prominent member of the Council, who was himself waiting for the kingdom of God, went boldly to Pilate and asked for Jesus' body....So Joseph bought some linen cloth, took down the body, wrapped it in the linen, and placed it in a tomb cut out of rock. Then he rolled a stone against the entrance of the tomb. ~Mark 15:42-43,46*

This Lenten season, I pray as you read Mark's gospel, that it has been more than just learning about Jesus; its about walking with Christ to truly know him. As we prepare to participate in the kingdom work both in the world today and in the life to come.

During Jesus' the Last Week, we often overlook the crucial moments between Good Friday and Easter Sunday. Joseph of Arimathea tenderly ensured Jesus had a proper burial. Joseph who was waiting and expecting the kingdom of God to come in those days, took care of God's Son, and then, like everyone else, he waited.

Easter preparations began on the day before the Sabbath, a time for waiting. Yet, we don't like to wait. We crave immediate results and want life's dreams to appear immediately. How do we prepare for Easter?

We wait. In a world demanding our constant forward motion, what if we took the time to wait and prepared for God's action? What if we spent the time in prayer or walking, allowing ourselves to not have constant noise, but to listen? I recently heard someone say that while we pray, God is always responding; the question is, are we ready to receive and hear? Perhaps we are very much like the disciples in Mark's gospel, and we are listening, but are we truly waiting to be transformed and embrace the kingdom God reveals on Easter?

On Good Friday, between noon and 7:00pm, we invite you to sign up for a time to pray in the worship center, as we prepare for Easter.

Christ is able to manifest a new way of living, bringing new life, hope, joy in sorrow, and so much more, IF we are willing to prepare, wait, hear, and then do.

## ***Join Sherri on April 10***

Flat Rock Homes is one the "the best-kept secret in the East Ohio Conference."

Due to their location, many United Methodists are either unaware or have limited knowledge about the history, mission, and current ministry of Flat

Rock Homes. Sherri will be sharing the story of the Civil War and the orphan train, which ultimately led to the creation of their Children's Home. Hear about the transformative impact Flat Rock Homes has had on the lives of men and women with intellectual and developmental disabilities. Learn about opportunities on how you can become involved with Flat Rock Homes' vital ministry.

It's true; everyone who crosses the door of the church will leave a legacy. For some the legacy will be the years spent teaching Sunday School, or the hours spent volunteering in one of hundreds of ways. Others will leave a

legacy of souls who were touched, mouths that were fed and building repairs that were made. Still others will leave financial legacies, gifts to our permanent endowment fund that will live on, providing the resources to continue and grow our ministry. You can learn more about leaving a financial legacy. **Light lunch will be provided.** **RSVP via a connection card or by calling the Church Office 440-729-4006.**

### **MUMC College Scholarship Form 2025**

To apply for these scholarships, someone should be actively participating in the ministries of Mayfield UMC. There are two sections, the first for the Don and Bonnie Cummings Scholarship and the second for the John Gerber Scholarship.

**Applications need to be submitted by end of day Sunday, April 27.**

# POVERTY SIMULATION

APRIL 26 | 11:00 A.M.-1:00 P.M.

Poverty is a reality for many individuals and families. But unless you've experienced poverty, it's difficult to truly understand. The Community Action Poverty Simulation (CAPS) bridges that gap from misconception to understanding. CAPS is an interactive, immersive experience. It sensitizes

community participants to the realities of poverty.

**THIS IS A SIMULATION, NOT A GAME.** FREE, but you must register by Apr. 24 so we have an idea of how many to expect. We need at least 30 participants and 15 facilitators for this simulation. Ages 13 and up are welcome, a light lunch will be provided.

Childcare for 12 and under available upon request. Contact Melanie Thomas with questions: [mthomas@eocumc.com](mailto:mthomas@eocumc.com).
