Thanks be to God who gives us the victory through the Lord Jesus Christ!

Dear Mayfield Friends,

On Palm Sunday, April 14, 2019, our beloved Mayfield Church will celebrate the 15th anniversary of the move from Mayfield Village to Chester Township. The first Sunday in this new facility took place on Palm Sunday, 2004. Praise be to God for all the years of fruitful mission and ministry in the name of Jesus!

A moment like this gets me to thinking. Mayfield Church has now been around for 184 years. Like all of America, the church has gone through tough times and good times. Much American history has been written over those years and the Mayfield Church has thrived through thick and thin.

I went back to A Mosaic Journey of Faith 1835-2010 to get perspective. Pastor Scott Wilson wrote at the beginning of the book, “Ours is the story of faithful Wesleyan Christians, women and men, who shared the Gospel with little ones and lost ones across multiple generations. Through good times and bad, Mayfield’s legacy bears witness to saving faith in Jesus Christ.”

The history of Mayfield Church has indeed been a Mosaic Journey of Faith. Imperfect and broken people from many various backgrounds, politics, and traditions stand united in Jesus Christ who shapes our broken lives and spirits into something better, through His forgiveness and love. This is right at the heart of what it means to be a United Methodist. Over all these years we are a people who profess faith in Jesus Christ, put our whole trust in Christ’s amazing grace, and promise to serve him as Savior and Lord.

[Continued on page 2]
Mayfield Church is a vital, vibrant, healthy church with all the markers of faithful vitality clearly evident. We are disciples who worship regularly, live in fellowship as a covenant community of faith, participate in active small groups, serve in more missional ways than we can count, and seek to ask in faith with all our hearts, “Where will God lead us next?”

Our Welcome! book describes how we as the Mayfield Church strive to be a God-honoring community that transforms our neighborhoods and our world through servanthood and witness. Mayfield people are called to become Christ-like in mind, word, and action. We encourage weekly worship, biblical study, fellowship, and participation in outreach as the norm for Christ-followers. While holding to the historic essentials of the Christian faith, Mayfield is a vital church of new ideas, styles, and dreams for the future.

Lynelle and I recently visited Bryan and Carol Neff, who showed us the videos that described the vision, challenged the stewardship, and recorded the building of this wonderful new facility. The witness of many members (including current members) struck me. In many various ways, those interviewed said, “There is no fear if we go into the future with God leading the way. God is always calling us to step up and reach out, never being satisfied with the status quo. We have to move forward with an emphasis on prayer in virtually everything we do. We pray for God’s will, pray for God’s help, pray for courage to look and listen and follow in the ways of God. And we pray, ‘Lord, what do you want to do through us to help accomplish your will for this church?’” This faithful vision will be carried on through this church!

In this Lenten Season of Repentance and Resurrection, I am reminded of this powerful Scripture text that is true because Jesus is the Risen Lord: “Thanks be to God, who gives us the victory through our Lord Jesus Christ. Therefore, my beloved, be steadfast, immovable, always excelling in the work of the Lord, because you know that in the Lord your labor is not in vain” (1 Corinthians 15:57-58).

May this be so for the Mayfield United Methodist Church!

The Early Christian Meal: A Good Friday Experience

Friday, April 19, 6:30 – 8 PM @ Mayfield Church

“When they had finished mocking him, they removed the purple robe from his back and returned his own clothes to him. Then they led him out to be crucified.” Mark 15:20

Take yourself back to that day... Jesus, your Lord, your Savior, your Healer, your Brother, your Teacher, your Friend, has just been crucified, put to death in a most cruel and excruciating way.

Just a week ago, things seemed so good! People were singing and praising, the sick were being touched and healed, lives were being changed... and suddenly he is gone.

It is over.

What is it about this man that touched so many? Why is his death so troubling?

How would you have felt that night? Would you have cried? Would you have been angry? Would you have cared?

This is the night that will be re-created at the Early Christian Meal. Those of us who have known Jesus will gather together in a time of sorrow, doubt, reflection, worship, questioning, mourning.

In the crowd will be people we may recognize from our own experiences, such as the disciples. They will share their feelings, as well as people who met Jesus for just a moment but whose lives were forever changed by that encounter.

As a follower of Jesus Christ, you are invited to this meal. We will begin at 6:30 in the Worship Center, with words of instruction. Please be prompt.

The Early Christian Meal is open to all generations. Because it is a somber and reflective experience, it may not be suitable for younger children. Childcare will be provided for children through third grade. We request that children who come to the meal plan to stay throughout the entire experience or else be in childcare for the entire evening. Space is limited.

Fill out the reservation form on the next page, tear off and place in the offering basket or turn the form into the office on or before Palm Sunday, April 14. (You also may RSVP on your Sunday Connection Card on April 7 and 14.)
We will close reservations when the number of seats for the meal have been filled, or on April 14, whichever comes first. Please note: We will not be able to accommodate walk-ins that night. A $5 per-person donation is requested to help defray the cost of the meal (see menu below). Payment may be made with your reservation or on April 19.

**Early Christian Meal Menu**

- Chicken with Tzatziki Sauce (yogurt lemon sauce)
- Loubieh (Mediterranean: green beans, tomatoes, onions, garlic & lemon juice)

-- Your Early Christian Meal Planning Team
Thank you for supporting our spring-break snack bags for students at our partner schools… this outreach is the largest single local missions project that Mayfield does each year! On Sunday, March 17, we packed 740 bags of snacks for our students at Rowland and Adrian. The following Wednesday, March 20, we transported the bags to our schools. Thank you, Church, and thank you to our partners (see below).

— Pastor Jan

Thanks to our Community Partners

**Penske Truck Leasing, Oakwood Village:** Truck with lift for transporting the food from Costco to our church. Thank you, Jaclynn Blazek, for your help with the truck! And thank you, Nancy and John Donahue, for filling the truck with gasoline after the delivery!

**MIM Software Inc., Beachwood:** Plastic bags (with our church logo) for the packing. Thank you, Pete Simmelink, for your help!

**Eddy’s Fruit Farm, Chesterland:** Apples (five per bag!), assistance in packing the fruit, a truck to deliver the bags to the schools, and assistance in distribution to classrooms. Thank you, Bart and Janet Alcorn, and Emily Herman, for your help!
Sometimes we get the question: What do you do with the extra food from the bag packing? This year, we donated the snacks to the boys track team at Memorial Junior High School in the South Euclid-Lyndhurst School District. The team is coached by Karen Jones, who at one time served as counselor to our Rowland students. The extra apples and oranges were offered to our Heartland Childcare Center and to our Sunday Fellowship Team.
Rowland PTA’s Science Night on March 21 featured a visit from Keith Gisser, executive director of the Herps Alive Foundation, a South Euclid-based charity that is dedicated to saving, rehabilitating and caring for unwanted, neglected and abused reptiles and amphibians, and to finding new homes for them when possible. Keith brought along a bunch of his “educational ambassadors,” including Athena, a 50-pound Burmese python, whom the students enjoyed holding, and Romeo, an Argentine black-and-white tegu (lizard), who only had eyes for Pastor Jan.
On Saturday, May 11, a team from Mayfield Church will walk/run a 5K through the streets of Cleveland to help combat hunger in the community. We will meet at the Great Lakes Science Center at 8:45 AM, with the walk beginning at 9:30 AM. The Mayfield church team has a great time walking and seeing the sights of Cleveland, all while helping the Hunger Network in its mission of supporting children and families in Cleveland.

The Hunger Network is the largest direct emergency food provider in Cuyahoga County. With the help of 1,000+ volunteers working at more than 100 food pantries and hot meal programs, nutritious food is provided for 60,000 people every month... 25,000 of which are children.

We encourage you to sign up to run/walk at the table in the Fellowship Hall any Sunday in April. The first 10 registrants will receive a stainless-steel Walk for Hunger water bottle!

We ask that you prayerfully consider financially assisting us in meeting our $3,000 goal – a great way to return some of the blessings God has bestowed upon us. To sign up to walk or make an online donation, please visit www.HungerNetwork.org. If writing a check, please make it out to Hunger Network (indicating Mayfield Church in memo line).

For more information, contact Jessica Martin martin.jessica423@gmail.com.

Please support our Oatmeal Bake Breakfast with toppings and sausage on Sunday, April, 14, following each worship service in Fellowship Hall.

WHAT'S IN IT FOR ME?

First of all, that is not a question that Stephen Ministers are ever likely to ask themselves regarding their involvement in the Stephen Ministry program. People don't become Stephen Ministers because they have nothing else to do with their time. They don't become Stephen Ministers for financial gain, recognition, power, or any of a myriad of other selfish reasons. However, there often are positive outcomes for Stephen Ministers as a by-product of their involvement with this ministry.

At a meeting of Mayfield’s Stephen Ministers, we were asked, “What do you like about being a Stephen Minister; what made you want to become a Stephen Minister?”

Some of the responses included:

• It has forced me to trust God more.
• It allows me to help hurting people in a more structured way.
• It helps me to think before I speak.
• It's another opportunity for me to be the hands and feet of Christ.
• I learned how I can best ask questions.
• I like to see the results of God's work after each visit.
• I like establishing a special connection with other people.
• I learn from my care receivers as much as they learn from me.
• It gives me an opportunity to help someone.
• It gives me purpose.
• I can be a service to God's hurting people.
• It enables me to bring Christ to people who don't have those opportunities.
• It's gratifying to see the progress that God brings.
• It helps me to grow spiritually.
• I can show Christ to others.
• I can use my life experiences to help others.
• It's an honor and a privilege to walk with someone in difficult times.

Although the focus of the Stephen Ministry program is to serve those who are hurting, Stephen Ministers and their care receivers establish special relationships which can be mutually rewarding. Praise God!

If you or someone you know would like more information about receiving the services of a Stephen Minister, contact the referral coordinator, Joyce Gordon, at 216-570-3767 or joytgordon@roadrunner.com.

“When the rainbow appears in the clouds, I will remember my promise to you.”

Genesis 9:16

God has given us a world that is ever-changing. We are now emerging from the bleak darkness of winter into the sudden burst of life of spring. The energy from the natural world during springtime is consuming and energizing.

Spring reminds us that there is a possibility of a new beginning. God’s mercy for us is never-ending and it is fresh every morning. We love sharing this concept with our children. We love exploring the new life in nature that’s appearing before our eyes. God’s love for us never ends. Nature teaches us this concept daily.

The Easter season is going by so quickly. The Heartland staff and children celebrated Ash Wednesday with a wonderful heartwarming service. Pastor Jan and Sergio Castellanos shared how God has written His name on our hearts just like the creator of Sergio’s cello wrote his name on the inside of the cello.

We will begin winding down the Easter Season with a children’s Maundy Thursday service on Thursday, April 18, at 10 AM. We are looking forward to learning more about the Easter story with Miss Jess and Mr. Denny. You are all welcome to join us for an inspirational time of worshiping our Lord.

We are also excited to announce the theme of our 2019 Summer Camp! It will be “Toy Bible Stories!” This summer, Disney is launching the “Toy Story 4” movie and we are using some of the characters from those movies to teach our children about some of the people from the Bible. This summer will be to infinity and beyond! We hope you join us for the fun, out-of-this-world adventures.

If you have any questions or would like to register your child for summer camp or fall classes, please call the Heartland office at 440-729-4006, ext. 116, or email us at heartland@mayfieldchurch.org.

Potholes…potholes…potholes!

Yes, we know the parking lot is in terrible shape. But help is on the way!

The Vision Committee, the Trustees and the Finance Committee have collaborated to contract with Infinity Paving Company to completely re-pair and repave the parking lot and driveways. We do not have a firm start date as yet, but we signed the contract early enough so that we will be one of Infinity's earliest jobs of the spring. We have asked that work begin as soon after the annual church rummage sale as possible.

The paving and striping are expected to take between two and three weeks, depending on the weather. Infinity will take pains to make sure the work will be done in sections so you won’t be too inconvenienced as it proceeds. We will communicate as fully as possible with the congregation regarding what sections of the drives and parking areas will be usable as the project continues.

As for the potholes, we elected not to spend a lot of money patching this year, because it will all be moot in a couple of months. So please drive slowly and carefully, be patient, and we will have a perfect new lot as soon as possible!

Our district superintendent has authorized a special Charge Conference on Monday, April 8, as part of the Executive Team meeting that night. The sole purpose of this Charge Conference is to consider recommending Tom Sulzer as a candidate for ministry to the Western Reserve District Committee on Ministry. The meeting will begin at 7 PM in Fellowship Hall. All are welcome to attend.
