Moving Forward in Mission …

“If people can’t see what God is doing, they stumble all over themselves. But when they attend to what he reveals, they are most blessed” (Proverbs 29:18 The Message)

Dear Friends,

Thinking of the Magi who brought their best gifts as an offering to honor the Christ child in Bethlehem, our bishop offers these words of encouragement in a message dated January 17, 2019: “Like the Magi, as we prepare for the Special Session of General Conference and the days after, may we be committed to bring our best gifts … a praying spirit, a humble spirit, and a steadfast spirit … as an offering to honor Christ and the Church. May we have an unwavering trust in the power of the Holy Spirit to help us discover the gift of God’s grace to help us do what we are incapable of doing, to see what we cannot see, to hope where there is no hope, and to honor the Christ in each other!”

All of Bishop Malone’s words have encouraged me. But this phrase leaped out: “May we have an unwavering trust in the power of the Holy Spirit to help us … see what we cannot see …” We know very well the Proverb that reminds us, “Without a vision, the people perish” (29:18). Can we trust in the power of the Holy Spirit to help us see what we cannot see, to help us catch a true vision of what we mean when we pray, “Thy kingdom come, thy will be done on earth as it is in heaven?” I want this vision!

[Continued on page 2]
The first question for reflection posed in our *Praying Our Way Forward* material is this one:

What unites us as United Methodists, and what type of Church do we long for?

As a church, we have been asking a similar question with the New Year: *Where will God lead us next?* It is perhaps the crucial question for us as we move forward through and beyond the upcoming Special Session of General Conference. What *vision*, what *picture* of the Church does our Lord want us to get? What vision of the Mayfield Church do we long for? Will this vision unite us and show us how to love God with all our heart, all our soul, all our strength, and all our mind; and our neighbor as ourselves?

In this month when we celebrate President’s Day, I have been moved by these words of President Ronald Reagan, spoken in his Farewell Address in January 1989. In his address, President Reagan painted a more complete picture of one of his most famous images:

I’ve spoken of the shining city all my political life, but I don’t know if I ever quite communicated what I saw when I said it. In my mind it was a tall, proud city built on rocks stronger than oceans, windswept, God-blessed, and teeming with people of all kinds living in harmony and peace; a city with free ports that hummed with commerce and creativity. And if there had to be city walls, the walls had doors and the doors were open to anyone with the will and the heart to get here. That’s how I saw it, and see it still … And she’s still a beacon, still a magnet for all who must have freedom, for all the pilgrims from all the lost places who are hurtling through the darkness toward home.

Can you see this picture? There is great beauty here that transcends our political differences. I could even say, there is something of “Thy kingdom come” in this vision.

What do we see when we think of the Mayfield Church? What *vision* of the Mayfield Church is rising up in our times of prayer? Where will God lead us next? Can we really be a beacon of Jesus Christ shining for all pilgrims from lost places who are hurtling through the darkness toward home?

There is no more important question before us than this! As the Proverb tells us, “*When we attend to what God reveals, we will be most blessed!*”

Best of all God is with us!

Holy Land Trip 2019

Holy Land Tour Meeting
Sunday, Feb. 10 @ 1 PM
Mayfield Church
Since 2014, Mayfield Church has partnered with Bethel Church in Bulawayo, Zimbabwe, to support Emsizini Secondary School, located in Kensington, Zimbabwe. In this partnership, Mayfield Church has supported many capital improvements, including upgraded bathrooms, a science classroom building, a teachers cottage, and a home for the school caretaker and his family. School programming has been supported with the purchase of sewing machines, science classroom equipment, whiteboards, sports equipment, choir robes, and various teaching supplies. Additionally we have supported the school with our presence, with five adults and six college students visiting the school on five separate trips.

The current capital need at the school is a health clinic, which will serve the Kensington community in addition to the school. To date, close to $30,000 has been raised for the construction of the clinic. A health clinic at Emsizini will improve the overall health and the standard of living of the community.

We had planned that funds raised for Emsizini during the month of February would be used toward the health clinic. Unfortunately an urgent need has developed. In January, the homes of 38 Emsizini students were bulldozed by the land owner. The 38 displaced students are now at risk of dropping out of school for the semester. Headmaster Kholwani Moyo has made arrangements to house up to 40 students at the school. Several things are needed to accomplish this, including bedding, cooking utensils, and food. The estimated cost is $6,000 for the semester. Keep these 40 students and the entire student body and school staff in your prayers.

Please join us for scrambled eggs, bacon, and breakfast potatoes after services on Sunday, February 17. Our next trip to Emsizini is planned for May 28 – June 11. It is not too late to join us. Contact John Parker at 330-289-4117 or parkerja89@gmail.com for more information.
Mission Outreach

Mission Trip Financial Assistance

The MOC (Mission Outreach Council) has scholarship funds available for those persons planning to go on their first Mayfield Mission Trip in 2019.

Applications are available on the display board in the main hallway. Deadline for applying for funds is March 31.

As the Alternaterm Pregnancy Center liaison for the past 15 years, I want to thank the people of Mayfield Church for the unfailingly generous assistance and support you have provided during that time. Because of you, Mayfield Church has contributed many thousands of dollars, plus hundreds of diapers and other baby essentials, to support services for women and families in the eastern suburbs of Cleveland. Your generosity has helped untold numbers of women through the most challenging times of their lives. Last year alone, our gift was $1,944.93 … and those of you who contributed your pocket change in our Baby Bottles accounted for $631.07 of that -- nearly one-third of the total donation!

We will not have a "Hands that Serve" month in 2019, in order to give other important missions a chance to bring attention to their worthy efforts, but I am asked regularly if I have these Baby "Change" Bottles available. I do! If you are looking for a deserving recipient for your spare change, just ask me any time, and I'll bring one in for you to fill.

Debbie Diadiun
Thank you for your support of Holy Donut Day on Sunday, Jan. 27. A total of $1,198.00 was raised for our book program at Adrian Elementary School. Yay God!

A big thanks to the Patterson Family, and especially to Bill, who brought the 840 delicious donuts to us, and the bakers, who got up early to make the many varieties of donuts for us.

We hope you had an opportunity to stop by Fellowship Hall and see the new books that have been delivered to our Adrian students. Teachers Cathy Stang, who oversees the book program, and Karen Hadden, who uses the books in her first-grade class, joined us on Holy Donut Day.

Is this program having an impact? One measure of success might be the AIR (American Institutes for Research) reading tests that meet state legislative mandates. Third-graders must pass this reading test to go on to fourth grade. All third-graders take the test in the fall and again in the spring. Adrian had the highest percentage of third-graders in the district pass the AIRS state test in the fall.
Rowland second-grade teacher Jen DiFrancesco and Adrian first-grade teacher Karen Hadden have something in common: They receive apples from Eddy’s so their students may have a healthy mid-morning snack. The teachers report that their students are able to focus better when they have a snack that is not overly sugary, and they send their thanks and appreciation to Bart and Janet Alcorn.

We need your help!

This month, we’ll be providing a baked-goods fellowship for Rowland staff during parent-teacher conference night on Thursday, Feb. 21. If you can bake something special for our special teachers and staff, please let Pastor Jan know!

In March, we’ll be packing spring break bags on Sunday, March 17, at church. We’ll be delivering the bags to the schools on Thursday, March 21. That’s the same night for the Rowland PTA Science Night. The Science Night event starts at 6:30 and ends at 8. Interested? Please let Pastor Jan know!

Doing a little spring cleaning on these cold days? We’re looking for your gently used books for our annual Book Giveaway in August. You can bring them to Pastor Jan’s office anytime before August.

In December, we gave each of our Rowland teachers and staff a Malley’s chocolate bar, with the inscription: Have a S-w-e-e-t Break! One of the administrators sent a thank you:

Dear Mayfield Church,
Thank you very much for the chocolate. More importantly, thank you for the continued support at Rowland. We love and need you.

Coming Up …

Our message series “Where Will God Lead Us Next?” continues through March 3.

For Lent, which begins on March 6 (Ash Wednesday), Pastor Jim will be exploring sections of John Ortberg’s book “Who is This Man? The Unpredictable Impact of the Inescapable Jesus.”

Message titles include “The Man Who Won’t Go Away” (March 10), “A Revolution of Humanity” (March 17), “The Power of Forgiveness” (March 24) and “Why It’s a Small World After All” (March 31). Scripture will be from the Gospel of Mark.

LifeGroups and individuals may wish to follow along with Ortberg’s book, which may be ordered in the Bookstore.

Propose a LifeGroup Book!

We are making plans for our fall all-church book study. Pastor Jim and I invite you, your LifeGroup, or your ministry team to submit a proposal for a book for our study, which will focus on one or more of these themes: mission, social justice and/or discipleship. Your proposal should include:

- The title of the book and author’s name
- A brief outline of the book and its themes
- The reason it would be a good study for our congregation to do at this time
- The outcome (how will it transform our congregation?)
- A link to any curriculum written for small groups
- Your name and contact information.

Proposals should be submitted to Pastor Jan by Sunday, Feb. 24. Our Vision Team will review the proposals and will decide on the book for the fall study.

– Pastor Jan

The Stephen Ministry Supervision Process

An essential part of the Stephen Ministry program is supervision. All Stephen ministers and leaders meet monthly for prayer, devotions, continuing education and small group peer supervision. This time together enables the best care possible for the people the Stephen Ministers serve. Members of the group both give and receive supervision. This helps all involved to become even better care givers. As with all aspects of the Stephen Ministry program, confidentiality is of the utmost importance. To that end, no care receivers are referred to by name but the men are called Adam and the women are called Eve. Situations are discussed in somewhat general terms: with enough information so peers can provide helpful assistance and support but not so much information that the Adam or Eve are identifiable.

A set of structured focus questions facilitates the discussion, enables the group to use their time efficiently, and explores the caring relationships in-depth. The focus questions center around areas such as:

- the caring relationship between the Stephen Minister and care receiver
- the spiritual nature of the caring relationship
- the direction of the caring relationship
- the caregiver’s feelings about the caring process
- the caregiver’s skills
- the caregiver’s personal growth
- the care receiver’s situation

Supervision provides Stephen Ministers with support, encouragement, accountability, and affirmation so they can provide the best possible services to their care receivers.

If you or someone you know would like more information about receiving the services of a Stephen Minister, contact the referral coordinator, Joyce Gordon, at 216-570-3767 or joytgordon@roadrunner.com.
