“You will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth.” (Acts 1:8)

Dear Friends,

While Lynelle and I were with the family in Chicago last week, I was reminded of a moment when my son, Nate, was in high school. I was reading in the living room and kept hearing a “beep” at regular intervals. So I hollered to Nate in the other room, “Nate, what’s beeping?” He walked into the living room and said he did not hear anything beeping. Then, with a familiar gleam in his eye he paused and added, “Maybe you need to be recharged.”

Hmmm – out of the mouth of Nate, wit and wisdom. Just as all our batteries, cell phones, smoke detectors, computers, cameras, cordless drills, toothbrushes, flashlights, cars (!) and the like need to be recharged regularly, so do we. If we don’t get recharged, we start emitting sundry signals that may be much more than simply annoying. Certainly these are signs of low spiritual voltage, signaling our need to be “powered up” in the Spirit.

How do we get “powered up” in the Spirit? How do we get spiritually “recharged” to serve God? The answer is as easy – and as hard – as this: prayer. It should come as no surprise that Pentecost happened when the disciples “were constantly devoting themselves to prayer” (Acts 1:14). With the coming of the Holy Spirit, the Bible says of the disciples, “They devoted themselves to the apostles’ teaching and fellowship, to the breaking of bread and to prayer. Everyone was filled with awe ...” (Acts 2:42). As Dr. Terry Tekyl has said, “Prayer always attracts the Holy Spirit.”

[Continued on page 2]
The disciples saw first-hand the power of Jesus at work. They also saw Jesus often turn aside to pray to the Father. Because the disciples saw the connection between power and prayer, they said to Jesus, “Lord, teach us to pray” (Luke 11:1). They had to ask because prayer is not as easy as it sounds or looks. In the Book of Acts, nothing happens without prayer. With prayer, good things happen! “When they had prayed, the place in which they were gathered together was shaken; and they were all filled with the Holy Spirit and spoke the word of God with boldness” (Acts 4:31).

Philip Yancey writes in his book *Prayer*, “If prayer stands as the place where God and human beings meet, then I must learn about prayer. Most of my struggles in the Christian life circle around the same two themes: why God doesn’t act the way we want God to, and why I don’t act the way God wants me to. Prayer is the precise point where those themes converge.”

We want the Mayfield Church to grow as a healthy, vital, active, missional congregation. We want to go where God leads us next. We want to reach new people, young people, diverse people with the good news of Jesus Christ. But we will not be effective and fruitful without the power of the Holy Spirit. Jesus told the disciples in Jerusalem to “wait for the promise of the Father ... You will receive power when the Holy Spirit has come upon you” (Acts 1:5, 8). Remember: It is prayer that attracts the Holy Spirit, and the Holy Spirit is what Pentecost is all about.

Prayer: Getting recharged, powered up, connected. Giving God our undivided attention. Inviting the Holy Spirit to come, fill us, recharge us, energize us, focus us, empower us as disciples to carry out the mission of Jesus Christ. That’s how it works!

Be Encouraged! We can do all things through Him who strengthens us (Philippians 4:13).

The June “Hands that Serve” spotlight is on a ministry that has been part of Mayfield Church for more than 30 years. Beginning in 1986, twelve green envelopes designated for a “Mustard Seed Offering” were included in our annual envelope box. This offering encouraged members to add a small additional gift to their pledged offering each month and was based on the philosophy from the parable of the mustard seed - that small contributions can grow into great things through the grace of God. It was meant to be used to extend congregational outreach to new projects that further supported our MUMC mission.

Over the years, Mustard Seed funds have been used to support field missionaries as well as various local projects and in recent years has been a source of funding for the Helping Hand ministry used by our pastors to assist individuals or families in times of emergency need.

The Mission Outreach Council would like to see this ministry continue and possibly be expanded to help some of our small ministries do great things.

Donations trickle into this fund regularly but many of our members who either give their offering electronically or have joined our congregation since 1986 may not be aware of this mission. Contributions to the Mustard Seed Fund can be made this month or anytime as a single donation or, they can be set up as part of your regular electronic giving. See Darlene Janke for details.

International Missions

The Zimbabwe Mission Team- John Parker, Matt Saneda, Rory McNamara, and Kimberly Walkuski- arrived safely on May 29 and will be working at the Emsizini School until June 12. Please continue to lift them up in prayer, along with the students and faculty of the school.
We are excited to announce the next all-church study, and an all-new study format.

This fall, we will be reading “Just Mercy” by Bryan Stevenson. “Just Mercy” is the social justice-fueled memoir of Stevenson, a death row attorney in Alabama and founder of the Equal Justice Initiative (EJI). “Just Mercy” is both a New York Times best seller and a clarion call to Christians to “Do what it is the Lord requires of you: Act justly, love mercy and walk humbly with your Lord.” (Micah 6:8) Through EJI, Stevenson works to exonerate the innocent, fight for the wrongly accused, and bring compassion and mercy to the incarcerated and condemned. His own Christian faith informs and fuels his work, as he purposefully and intentionally works to bring justice to those suffering poverty, mental illness, violence and prejudice.

As a memoir, “Just Mercy” is ideally suited for a sermon series based on themes, rather than the usual chapter progression. On August 4, we will be handing out “Just Mercy” to the entire congregation and asking you to get reading. So, dive right in and read the whole book! We will not be discussing the book chapter by chapter. Instead, we will be studying the biblical themes that mirror the work of Stevenson and the work we as Christians are called to do in the world.

Bryan Stevenson, Author
We are taking a big topic, and putting some big, God-sized plans behind it, for the first-ever truly all-church study. Here is how:

We will have a study guide for all small groups to discuss the book and its themes in their weekly meetings, but we will also be engaging with our broader community around seven themes: mercy, compassion, justice, restoration, forgiveness, oppression and proximity.

Six community engagement events are planned for the duration of the study, to provide an experiential learning opportunity we hope will broaden and deepen understanding of the book themes.

Children have not been included in past all-church studies. With the support of Jess, Denny and Adam, we are thrilled to include our children in this whole church study. The teens will be reading Bryan Stevenson’s “Just Mercy for Young Adults” and The Rock and Stepping Stones kids will be following an age-appropriate parallel course on The Beatitudes. We are so grateful for Jess, Adam and Denny’s willingness to partner and bring this message “downstairs,” too.

We will be providing small group leader training ahead of the study to ensure that sometimes-tricky discussions are navigated with care.

Some events will have Mayfield Church hosting a wide-reaching group of guests; other events will send Mayfield Church out into the world. We cannot wait to have both unfold!

This book is not just about a problem in Alabama. We invite you to “get close” to the same issues right here in Cleveland.

-Katie Vriezen and the Marriage Group LifeGroup

“I believe it’s necessary to recognize that we all need mercy, we all need justice, and—perhaps—we all need some measure of unmerited grace.”
—BRYAN STEVENSON FROM JUST MERCY
ADAPTED FOR YOUNG ADULTS
May was a busy month at our partner schools!

May 6: Mayfield gave certificates for an ice cream cone to nearly 100 Rowland third-graders after they finished the state tests.

May 16: Mayfield was part of the fun at the Rowland PTA's end-of-school BBQ.
May 16: Mayfield was there when the Rowland 2nd-graders presented on people they admire.

May 28: Pastor Jim, Pastor Jan, and Jess Martz helped out with games on the second-to-last day of school for Rowland students.

May 30: Mayfield sent the East Coast Custard Truck to Rowland to give teachers and staff a cold treat on their last day of the school year.

Thanks for your support of our school ministries, Church!

It was another great year for Rowland and its students and staff, as well as for Adrian, where we partner with Learning Resource teacher Cathy Stang to get new books into the hands of students.

Rowland Principal Maleeka Bussey asked Pastor Jan to say to each person in our congregation:

Thank you for all that you do. It is truly appreciated!
What’s the BEST gift you can give…
- your new graduate?
- a family member who wants to buy a house?
- friends who are getting married?
- a co-worker who is struggling with debt or retirement decisions?

United Methodist Women earned about $8,300 after expenses. The UMW last year contributed to Aldersgate camperships, a family dislocated by a home fire, the Western Reserve District UMW mission fund, Women Safe, Flat Rock Homes of Ohio, Red Bird Ministries in Kentucky, Church World Service for Tools & Blankets, and Heifer International. Contributions are being made to the Vision Fund as well.

In addition, various charitable groups benefited from the goods donated to the sale: Dave Cantrall collected casual clothes for the homeless in Cleveland; Richie Grampp took baby and children's clothing to be given to shelters in Cleveland Heights.; Cindy Bezdek collected housewares and other useful items for Redeemer Church of inner-city Cleveland; things were given to Women Safe; books were given to local library sales; and the Salvation Army took most all of the remaining donations.

The UMW is thankful for all your generosity. Your rummage donations will be well used!
Merry Christmas! Thoughts of Two Pastor Scotts
By Joy Clason

I think it was two or three years ago when our former pastor, Dr. Scott Wilson, wished the Mayfield congregation “Merry Christmas!” in the summer. He advised us to “find a need and fill it.” In this way, he said, we could “keep Christmas all year ’round.” And, considering that, he asked us “How are we doing?” Hmm. How are you doing at keeping Christmas all year ’round?

In a similar vein, Pastor Scott Campbell of First United Methodist Church in Newark, OH, implored in a January 2019, newsletter, “Let us not forget those who struggle with recent news of the loss of loved ones, those who received an unexpected health diagnosis, the loss of a job, or who may have heard words that discourage us. For it is in these situations that Jesus truly calls us to go and be a disciple, allowing our faith to be truly challenged when we are called to sit and cry with those who are near to us, and allow the brokenhearted to see the presence of Christ which dwells in all of us. It is times such as these that Jesus will ask, “When did you sit with me? When did you feed me? When did you cry with me? Where are you, O faithful follower, when I need you?”

The Stephen Ministry program at Mayfield Church provides a wonderful opportunity for members of our congregation to serve others who are hurting. A 50-hour training program is provided at no cost, which equips laypersons to be effective caregivers. There is also ongoing support/supervision for all Stephen Ministers to assist them with their caregiving. Because the administration of the training program is intensive, our Stephen Leaders can only train new Stephen Ministers sporadically. However, the Chardon UMC is conducting a new training series starting in June, which is also open to our members. If you would like more information on becoming a Stephen Minister for the Mayfield Church, please contact Joyce Gordon at 216-570-3767 or joytgordon@gmail.com as soon as possible. It is not too late to take this step toward “keeping Christmas all year ’round.”

Also, if you or someone you know would like more information about receiving the services of a Stephen Minister, contact the referral coordinator, Joyce Gordon, at the phone number or email above.
Thank you, Mayfield Church, for partnering with the American Red Cross! The blood collected from your most recent blood drive is now on its way to Summa Akron City Hospital, Cleveland Clinic, UH Cleveland Medical Center, Medina General Hospital, and Ashtabula County Medical Center. While there may have been other hospitals that benefitted from your efforts, the following received the majority of blood products from your drive.

We are truly thankful for your support.

Sincerely,

Your American Red Cross

Now that tax season has passed, you may have noticed that you were not able to itemize your deductions, including charitable giving, in 2018. There is still a way that you can get the equivalent of a charitable deduction and save on your federal and Ohio income taxes even if you won’t be able to itemize this year. Here is the suggestion.

If you have stocks or mutual fund investments that are worth more than what you paid for them, plus reinvested dividends, and you would like to benefit from the increased value, don’t sell them. Instead have your broker transfer the shares directly to Mayfield Church. If you sell them, you will have to pay federal and state income tax on the gain. If you transfer the shares directly to Mayfield Church or any other charitable organization, you will pay no federal or state income tax on the gain. If you are able to itemize on your income tax return, you will get a charitable contribution for the full amount the church or charity receives. This is a double savings since you will save on your income taxes by not paying tax on the gain and possibly also being able to use the full charitable deduction if you can itemize on your tax return.

If you have any questions, please contact Darlene Janke in the office.

The Vision Campaign

Take a look at the new sidewalk at the back entrance – ready in time for Infinity Paving Company to completely repair and repave the parking lot and driveways starting Monday, June 3.

The paving and striping are expected to take between two and three weeks, depending on the weather. Infinity will take pains to make sure the work will be done in sections so you won’t be too inconvenienced as it proceeds. We will communicate as fully as possible with the congregation regarding what sections of the drives and parking areas will be usable as the project continues. Please find updates on our website for information on where to enter and park.

And more exciting news, Fellowship Hall’s sound system will be upgraded on June 14!
