Dear Mayfield Church Family,

In our staff weekly meetings, we share the joy of leading devotions. After reading from Deuteronomy 6 for her devotions, Jessica Martz asked, “What do you do to let people know you are Christian?” It is a good, essential question – and a little unsettling.

Why is the question unsettling? Because how we answer tells a lot about who we are and how we are doing as Christ followers. What would you say, Mayfield Church family?

We could use some perspective. Lately I have wondered what the Apostle Paul would say to Mayfield Church if he were to send us an epistle today. With this in mind, I have been reading Paul’s letter to the Ephesians as though it were written to us, with eyes and ears open to the message the Lord has for us in the year 2019 and on our way to 2020. The Message of Ephesians can help us with Jessica’s question.

What I have found is that Ephesians speaks directly to us in profound, relevant ways. In his Introduction to Ephesians, Eugene Peterson describes the “organic unity of belief and behavior.” What we believe about God very simply needs to be lived out in what we do for God. These cannot be separated without breaking the unity of the body of Christ. How we live our faith day to day matters!

Peterson translates Eph. 1:11 this way: “It’s in Christ that we find out who we are and what we are living for.” That’s about as profound and relevant as it gets for each of us personally and as the church!

[Continued on page 2]
This summer our worship themes will come directly from the Letter to the Ephesians:

**Blessed.** How are we blessed in Christ?
**True Wisdom.** Where do we discover true, godly wisdom?
**Real Life.** How can we find new life with Christ?
**Tear Down That Wall!** What walls divide us and how can we be made one in Christ?
**Mystery Made Known.** How do we share the promise in Jesus through the gospel?
**Prayer Power.** Do we know the power of Paul’s prayer for us?
**Body Building.** What are the essentials to building the body of Christ?
**Work Clothes.** Clothed with the new self in the likeness of God.
**Armored Up.** Be strong in the Lord and in the strength of his power.

The message for Mayfield is that we would recognize what God has done for us in Jesus and what God expects of us in Jesus. The health and vitality of our church depend on it.

This summer, I challenge you: do not miss any part of the study on the Book of Ephesians. We need to keep on track with our spiritual disciplines of prayer, presence, gifts, service, witness. Your regular worship attendance and generous giving matter in the life of Mayfield Church!

Be encouraged! Be faithful!  

-Pastor Jim

Stephen Ministry is a one-to-one lay caring ministry.

The three groups of people involved in Mayfield's Stephen Ministry program include Stephen Leaders, Stephen Ministers, and Care Receivers.

**Stephen Leaders** establish and direct Stephen Ministry in a congregation. They—
- build awareness of Stephen Ministry within the congregation and community
- recruit and train Stephen Ministers
- meet with potential care receivers to assess their needs
- match care receivers with Stephen Ministers
- provide Stephen Ministers with ongoing supervision and continuing education.

People learn to serve as Stephen Leaders by attending a week-long Leader's Training Course.

**Stephen Ministers** are congregation members trained by Stephen Leaders to offer high-quality, one-to-one Christian care to people going through tough times. A Stephen Minister usually provides care to one person at a time, meeting with that person once a week for about an hour. Once or twice a month, Stephen Ministers gather with their Stephen Leaders for supervision and continuing education. **A new training has just begun so if you are interested in becoming a Stephen Minister, please contact Joyce Gordon (contact information below).**

**Care Receivers** are people—congregation members and others in the community—who receive care from a Stephen Minister. These are people struggling through a difficult time in life—experiencing grief, divorce, job loss, chronic or terminal illness, or some other life crisis.

Some important guidelines for this caring relationship protect both the care receiver and the Stephen Minister:
- The relationship between a care receiver and a Stephen Minister is confidential.
- Men are matched with men; women with women.
- When a care receiver’s needs exceed what a Stephen Minister can provide, the Stephen Ministry team makes a referral to an appropriate mental health professional or other community resource.
The Blessings of Stephen Ministry

- Congregations receive a practical and powerful way to respond to Christ’s commandment: “Love one another as I have loved you”
- Pastors have a team of gifted, trained, and committed lay caregivers ready to minister to hurting people.
- Lay people nurture and use their gifts in meaningful ministry, growing spiritually as they serve others.
- People who are hurting have a compassionate companion—a caring Christian friend who provides emotional and spiritual support and offers God’s curing power.

If you or someone you know would like more information about receiving the services of a Stephen Minister, contact the referral coordinator, Joyce Gordon, at 216-570-3767 or joytgordon@gmail.com

“Hands That Serve” Pancake Breakfast
Sunday, July 14 @ 9 AM - 1 PM

Please join The Stephen Ministry Team for pancakes, sausage, and fruit after the services. The Stephen Ministry program is free to all care receivers and, while the Stephen Leaders and Stephen Ministers do not incur expenses to participate, the training and continuing education aspects can have significant costs. Proceeds from the breakfast and specific donations to Stephen Ministry help fund this important program.
The Zimbabwe Team, Kimberly Walkuski, Matt Saneda, Riory McNamara, and John Parker, returned home to Cleveland on Wednesday June 12. While in Zimbabwe the team spent time building relationships, digging trash and recycling pits, cleaning windows, interacting with students and teachers at Emsizini School, and sharing love with members of Bethel United Methodist Church. Projects funded by trip funds and gifts from Mayfield Church included:

- School van maintenance / repairs
- Additional bunks & mattresses for boarders
- Corrections to current ablution block
- Bath house for boarders (8 showers)
- Art supplies
- Science exam materials

Additional soak away pit, part of the project to correct current ablution block. Students help to unload truck of rocks to fill the soak away pit.
The Guatemala Mission Team is leaving for their seventh trip on July 13 and returning July 20. Please keep them in your prayers as they work to build three houses, help administer a medical clinic, assist with a growing feeding program, and work on a new orphanage on the mission sites.
Annual Conference Report

by Linnea Bubnow and Phil David

The East Ohio Annual Conference was held June 10 to 13 at Lakeside, Ohio. The theme of this conference was “Committed: Bearing Fruit That Lasts,” and marked their 50th session. It was attended by approximately 691 Clergy and 727 lay members. Representing Mayfield were pastors Jim Winkler and Jan Fillmore and lay delegates Linnea Bubnow and Phil David.

Bishop Tracy Malone presided over the conference and provided leadership to a body which has been visibly split over the decisions of the 2019 General Conference last February. Bishop Malone offered a clear vision for the conference calling for all Methodists to be United by the call to spread the Gospel, love each other and be in mission to all people. Bishop Malone called us to be especially mindful of those people who find themselves marginalized by the church and to remember that the Love of Christ is available to all as we respond to our call as disciples of Christ to make disciples of Jesus Christ for the transformation of the world.

The conference was woven together by these themes especially through Spirit Led daily worship experiences, the Bishop’s episcopal address, and the celebration of many ministries that are bearing fruit throughout our conference and around the world. This theme was also brought home through the Leadership of Dr. Douglas Powe, director of the Lewis Center for Church Leadership of Wesley Theological Seminary, who was the keynote speaker for the learning component of the conference.

One of the key pieces of business for the conference was the election of delegates to the 2020 Jurisdictional and General conferences. It was a cumbersome process to select 17 clergy and 17 lay persons by majority vote to form our contingent of delegates and alternates. Clergy vote for clergy delegates and lay members elect lay delegates. The great news for Mayfield was that we were able to elect one of our own, Sarah Dixon, as a delegate to Jurisdictional conference and an alternate to General conference. This gives our church a direct voice in the matters of the larger church.
In other business directly effecting Mayfield we, are pleased to announce that both Pastor Jim and Pastor Jan were reappointed to Mayfield Church. Tom Sulzer (pictured left), received his first ministry appointment, being assigned to Southington & West Farmington UMCs.

Resolutions are the manner by which the Annual Conference speaks out on matters important to the Church and society. This year Annual Conference passed three resolutions. In order to be adopted a resolution must be approved by a two-thirds majority. Resolution 2019-01 titled “To Rebuild, Reclaim the Christian Community: ‘Church’ calls for all members to actively care and provide compassion for people who are often overlooked and marginalized in our society. Resolution 2019: “Culture of Call Sunday” calls on all churches to celebrate a special Sunday lifting all those who are called to full time ministry in the church. Resolution 1019-04 “Educate and Inform the Conference Concerning the Need for Reform of Post Release Sexual Offender Laws such as public Registries and Residency Restrictions” calls on the Board of Church and Society to investigate how the conference could best respond to this issue and the types of reforms that might be appropriate. Please feel free to talk to any of our delegates if you would like to see the actual copies of these resolutions or would like information on resolutions which were debated but did not pass or for any information on petitions to the General Conference.

The conference made our call as a church clear. Focus on showing Jesus Love in all that we do while working to make disciples for the transformation of the world.

This fall, we will be reading “Just Mercy” by Bryan Stevenson. “Just Mercy” is the social justice fueled memoir of Stevenson, a death row attorney in Alabama and founder of the Equal Justice Initiative (EJI). “Just Mercy” is both a New York Times best seller and a clarion call to Christians to “Do what it is the Lord requires of you: Act justly, love mercy and walk humbly with your Lord.” (Micah 6:8)

Through EJI, Stevenson works to exonerate the innocent, fight for the wrongly accused, and bring compassion and mercy to the incarcerated and condemned. His own Christian faith informs and fuels his work, as he purposefully and intentionally works to bring justice to those suffering poverty, mental illness, violence and prejudice.

Next month on August 4, we will be handing out “Just Mercy” to the entire congregation and asking you to get reading. So, dive right in and read the whole book! We will not be discussing the book chapter by chapter. Instead, we will be studying the biblical themes that mirror the work of Stevenson and the work we as Christians are called to do in the world.
We will have a study guide for all small groups to discuss the book and its themes in their weekly meetings, but we will also be engaging with our broader community around seven themes: mercy, compassion, justice, restoration, forgiveness, oppression and proximity.

Six community engagement events are planned for the duration of the study, to provide an experiential learning opportunity we hope will broaden and deepen understanding of the book themes.

Children have not been included in past all-church studies. With the support of Jess, Denny and Adam, we are thrilled to include our children in this whole church study. The teens will be reading Bryan Stevenson’s “Just Mercy for Young Adults” and The Rock and Stepping Stones kids will be following an age-appropriate parallel course on The Beatitudes. We are so grateful for Jess, Adam and Denny’s willingness to partner and bring this message “downstairs,” too.

Some events will have Mayfield Church hosting a wide-reaching group of guests; other events will send Mayfield Church out into the world. We cannot wait to have both unfold!

This book is not just about a problem in Alabama. We invite you to “get close” to the same issues right here in Cleveland.

LifeGroup Leaders

Plan to attend two meetings about “Just Mercy,” this month at the church. Child care will be provided with reservation; contact Carrie Barry at carrieb@mayfieldchurch.org to reserve a spot for your child.

**Tuesday, July 16, 6:30 - 7:30 PM:** We'll talk about the book, what it says, and questions you might have had as you read the book.

**Tuesday, July 23, 6:30 - 7:30 PM:** We'll talk about how you as a leader can speak about the book and the questions it could raise with members of your group.
Open to 4-year-old preschoolers through students entering Grade 6!

VBS Registration:
The time has finally come! Online registration for VBS is now open. The registration fee is $30 per child for the week with a $60 maximum fee per family. If you are interested in signing up, please visit mayfieldchurch.org and click on the “Roar” image to register your child. Payments can be made on the church website or a check can be written to Mayfield Church with VBS listed in the memo.

How can YOU help?
We are still looking for additional preschool and elementary crew leaders to assist during our VBS week. This is a fulfilling volunteer position where you would lead a group of 5-10 kids from one activity to the next during the week. Are you available to advertise for VBS at the Chesterland Parade on July 4? Do you have a special skill set, like design, construction or crocheting? We are in need of a variety of people to prep for the biggest week of Children’s Ministry at Mayfield, where we will welcome more than 150 kids in the name of Jesus! If you are available and interested in helping as a crew leader or behind the scenes in the weeks prior, please contact Jessica Martz at jessica@mayfieldchurch.org.
FROM THE HEART

Heartland Summer Camp is in full swing! We are excited about our theme of “Toy Bible Stories” based on the characters from the movie Toy Story. Each character we learn about is linked to a special Bible character and we learn how that Bible character is like the character from the movie. It’s been so much fun so far! We learned about how Woody is like David vs. Goliath. We’ve learned how Buzz Lightyear is like Noah. We’ve also learned what Slinky has in common with Gideon’s small army. We’re so eager to learn about more characters throughout the rest of this summer.

Here are the rest of our weekly themes for July:

* July 1 - 3  Barbie: Esther Trusted
* July 8 - 12 Mr. Potato Head: Paul and Our Uniqueness
* July 15 - 19 T-Rex: Samson’s Choices
* July 22 - 26 Remote Control Car: When to Recharge

We will also have special activities throughout the month to add to our summer of fun. Ballet Gloria will be here to teach our children some dance moves. Our two older classes will venture over to the Chester Historical Village for a half day of learning and they will also visit a farm belonging to one of our families. The entire school will go next door to Mr. Jerry’s farm and experience a full tour of his farm. Jungle Terry will also stop by with his animals. Geauga Parks will come by and share with us, and Fairmount Center for the Arts will be here to help us perform a story related to Toy Story! If the children are good, we might even have a visit from Santa on July 25! Can you tell we’re going to be very busy during the month of July? At the end of July, we also have VBS to look forward to here at Mayfield Church.

If you would like to join us for a day or two or more, please feel free to give us a call at 440-729-4006 Ext. 116. Our fall classes are filling up quickly as well. If you would like more information, please let us know. We would love to get to know your family! You can also contact us at heartland@mayfieldchurch.org.

If you are older than 70 and ½ years and have an IRA, you undoubtedly know that you have to take a required minimum distribution each year from your IRA and that distribution is fully taxable at regular income tax rates for both federal and most state income taxes. There is a way that you may be able to take part or all of that distribution and pay no federal or state income taxes.

If you have your broker or the administrator of the IRA send part or all of your IRA required minimum distribution directly to Mayfield Church or a 501(c)3 organization, you may not pay any federal or state income taxes on that particular distribution. This method is only valid if the proceeds are sent directly to the church or charity. If the check is made out to the taxpayer, the distribution will be fully taxable. By following this recommendation, you will not be able to claim the contribution as a charitable deduction. Since most taxpayers now take the standard deduction, the charitable contribution deduction probably will have no impact on your tax return.

Mayfield church is not a provider of income tax information. Please contact your income tax advisor to determine if this is a good option for you. If you wish to make this distribution, please contact Darlene Janke, at Mayfield Church before doing so and advise her how you want the contribution allocated between the operating, building, and vision campaign. She will then be on the lookout for that check and will know how to apply it.
